Description: A new development of luxury apartments that has just been put onto the market. The project was finished during 2009 in the middle of the financial crisis. These apartments and penthouses had been taken off the market until recently and they have now been put onto the market at vastly reduced prices. With properties starting at 179,000€ even the penthouses and three bedroom properties here are very well priced with good qualities. Innovative Property have one of their branch offices very close by on calle Madrid so if you would like to see these properties just pop by our office and we can show you them directly and help with after sales and rentals in the future if you need help.
